This site layout is indicative only and subject to change in response to planning or technical requirements, ground conditions, or market demand. It is not drawn to scale and does not show legal boundaries, easements, wayleaves, topography, street lighting, or landscaping proposals. The Affordable Homes shown are those designated as such through the planning process. The remaining homes on the development are available for open market sale (including multi-unit sales) to purchasers, who could be private individuals or another type of purchaser (for example: local authorities, housing associations, or other commercial landlords/investors) and therefore the mix of tenures on the development may change. Version three, printed May 2026.
